Engagement & Planning Survey A Fidelity Outcome

- The Engagement & Planning Survey measures young adult's perception of :
 1. the relationship they maintain with their respective Transition Coordinator
 2. the involvement in planning & developing their personal Futures Plan
- On a five point scale, the results are as follows:
 - Range is 2.0- 5.0
 - Median is 4.73
 - Mean is 4.53

- Although not statistically significant, further analysis of the items that were rated in the “Disagree” category reveals a slightly greater weakness in questions related to Planning compared to the relationship with Transition Coordinator
